GSG Growth — Colour Code Key

To keep everything clear and easy to follow, GSG Growth uses a simple colour system to show activity across each day.

Red — Client Acceptance

Days when new clients may be accepted and onboarded.

This runs from **Friday to Monday**, based on availability.

Green — Profit Received

Days when your profit is received It can be any day of the week.

Black — No Activity

No onboarding or payments take place on these days.

These period are used for internal organisation, client management, and maintaining a structured workflow to ensure all operations run efficiently.
