

GSG Growth Payment Schedule

GSG Growth – Colour Code Key

To keep everything clear and easy to follow, GSG Growth uses a simple colour system to represent activity across each day.

● Red – Client Acceptance

Days when new clients may be accepted and onboarded, subject to availability. Client acceptance periods run from **Friday to Monday**.

● Green – Profit Received

Days when scheduled profit payments are received.

Profit payments are processed on **any day of the week**, depending on the agreed plan and schedule.

● Black – No Activity

Days when no client onboarding or scheduled payments take place.

These periods are used for internal organisation, client management, and maintaining a structured workflow to ensure operations continue efficiently.
